Here we are, already at the end of the school year! We would like to say a very heart-felt THANK YOU to students, staff, and families, who have supported the school in so many ways this year.

As often happens at this time of year, we will be saying goodbye to some of our staff members. Madame Bell, Mr. Pike, Ms. Allen, Madame Manderville, Madame Sanford, Ms. Opdebeck, Madame Ridgley, Ms. Steeves, Ms. Macphail and Mr. Selkirk will all be moving on to new adventures. We wish this group of talented educators all the best in their future endeavours! Joe Gallant our custodian at Fleming Tower will be retiring. We wish him well in his retirement, he will be missed.

We welcome a number of new staff in September. Please see the full list of 2019-2020 staff on page 2.

We will be sending home school supply lists for your child’s upcoming school year with report cards. These lists will also be posted on the school website. We will be announcing your child’s teacher for the 2019-20 school year in September.

Class lists will be posted on the school website on September 4 at 5:00 pm using your child’s self-identification number– which is on his/her report card.

The last day for students is June 28. Students will receive their report cards and will be dismissed at 10:00 am. If your child is not planning on attending school that day please send in a self-addressed, stamped envelope and we will mail the reports to your home.

I hope you have a fabulous summer and that you have the opportunity to relax and enjoy family time this summer. See you in September,

Emily Quigley

Dear Families,

As the 2018-19 school year winds to a close, the Halifax Regional Centre for Education (HRCE) is busy planning for the year ahead. Please take a moment to review the following important information.

We want to make sure your information is up-to-date in PowerSchool: If you’ve moved this year, or plan to move this summer, please connect with your child’s school as soon as possible. Accurate registration information will help us with staffing, scheduling and student transportation. More information on registration can be found here: www.hrce.ca/registration

For students who rode the bus in 2018-19: Please be assured, if they haven’t changed schools or moved, they will be provided with transportation for the 2019-20 school year. No new application will be required.

You can check eligibility for transportation through BusPlanner. BusPlanner is the best way to make sure you have all the transportation information you need: If you’re already registered for BusPlanner’s Parent Portal, you do not need to register again. However, it’s a great time to make sure you remember your username and password.

To register for BusPlanner’s Parent Portal, you need your child’s Provincial Student Number, which can be found on their report card, in PowerSchool or by calling your child’s school (before June 28). Visit hrce.mybusplanner.ca to register for BusPlanner’s Parent Portal.

You can check on pick up times, drop off times, and bus stop locations through BusPlanner’s Parent Portal when routing is complete.
**Staff 2019-20**

Classes may change after late registration on August 28

**Third Portable at JWM Site**

As we wind down the school year, I wanted to remind families that we will be having a third portable classroom installed on the school grounds during the summer months.

The portable will be placed on the property likely sometime mid-summer. It will be coming from another school where it is no longer required. Any renovations to the portable that are necessary will be done after it arrives at JWMFT and completed before the school year begins.

Students in the portable will have access to the same technology that is available in a regular classroom. If you are interested in seeing what the portable classroom might look like, the Halifax Regional Centre for Education created a short video of a portable classroom at another school last summer. The video can be viewed at:

https://www.youtube.com/watch?v=svZQMn-QxTg
